Glowing Reputation: We have hundreds of satisfied clients!

Peace of Mind: We are bonded & insured, and we background check all of our sitters. We are also members of Pet Sitters International, which is the world's largest association of professional pet sitters.

Professional & Caring Sitters: All of our sitters are or were pet owners themselves, and provide the love, attention and care pet owners would expect. In addition, all of our sitters are actual employees, not 1099 independent contractors, so we have full control over them and their schedules. Moreover, we pay our sitters the highest rates in the area, so we can recruit the most professional sitters for our team; a well-paid employee is a happy employee!

Service Selection: We offer a variety of services that can be customized to meet each customer's varied needs. We will accommodate any special needs!

Availability & Coverage: We have invested in a professional pet sitting scheduling system to assure our sitters are always where they are supposed to be! We also employ enough sitters to have back-up sitters in place, so no pet goes left uncared for.

Prompt Communication: We pride ourselves on getting back to our clients right away, whether phone or email. In addition, our clients can use our online system to schedule pet care!

Great References: Our clients are happy to provide prospective clients with their feedback.

No Hidden Fees: We do not charge extra for medication, shots, pills, walks (when boarding), treats, feeding, hugs & kisses!

Charity: We plan, coordinate and fund many events, and drives, each year to benefit local rescue and local shelters.

Free In-Home Consultations: One-on-one meetings with the sitter, client and their pets are provided at no charge to address their questions, and for the sitter to acquaint themselves with the pets!

Check up: Clients can check up with their sitter or the office anytime regarding their pet!

Ease & Organization: Our online professional scheduling system and our monthly automatic credit card billing system, gives our clients one less thing to worry about each month!

Satisfaction Guaranteed: If a client is dissatisfied, we will attend to it right away to make it right and assure the client's satisfaction.
